At BHCK, we believe that higher education must encompass a holistic approach to educational delivery that views the student as central to the learning process. Our goal is to remove those barriers that sometimes may encumber a student's learning process and restrict her educational advantage. Instead, we serve to assist students in supporting those intrinsic and extrinsic motivational factors and the self-discipline and engagement required for each learner to achieve her own intellectual, personal and professional development.

Academic Honesty

Plagiarism and Cheating

Honesty and integrity are two of the most important values for BHCK in the delivery and administration of a student's education. Each student is expected to accept her responsibility to maintain honesty and integrity in all endeavors inside and outside of the classroom, studio, or laboratory. Students must also understand the meaning of the definitions stated below, how these terms apply to work carried out in the classroom and at home and the sanctions that infringement of this policy may bring.

- Plagiarism is a specific form of cheating which consists of the misuse of published and/or unpublished works of other by misrepresenting the material used to be one's own work.
- Cheating is the actual or attempted practice of fraudulent or deceptive acts for the purpose of improving one's grade or obtaining course credit. Such acts also include assisting another student to do so. The term 'cheating' is not to be limited to examination situations only; it includes any and all actions by a student that are intended to gain an unlearned academic advantage by fraudulent or deceptive means.

The student must:

- Accept her responsibility to maintain honesty and integrity in all endeavors inside and outside of the classroom, studio or laboratory.
- Understand the meaning of the plagiarism and cheating, how these terms apply to work carried out in the classroom and at home, and the penalties that infringement of this policy may bring.

Sanctions

- Students will receive formal warnings that they would be placed on academic probation if the offence is repeated.
- Students may be subject to other actions decided by the Student Scholastic Standing Committee.

Textbooks and Course Materials

Students use various required course materials including text books, supplies, and software in courses. BHCK's Bookshop provides a suite of these required materials to students on behalf of BHCK. Costs for these materials are charged separately and are required as part of the total program.

Every effort is made to ensure that these materials are delivered and available on time. If course materials are not received within three business days before the session starts, the student should contact the relevant faculty for further instructions. Students shall be responsible for purchasing and having available all required materials.

Textbooks and materials must be purchased by the end of the first week of the new semester.

- All of the materials you need can be found in the course syllabus.
- Make sure you purchase and bring everything you need to class.
- You are expected to bring to every class textbooks, an A4 sized notebook or A4 writing paper, a pencil or pen, and all materials required by the instructor.

Box Hill College Kuwait - Student Handbook

- If you come to class in the second week of the semester or after, without the correct textbooks, your instructor may decide what the consequence is.
- You must also bring your ID card to all language lab and computer classes. Not doing so means you cannot do any work and you may be marked absent.

Attendance Policy

The College's educational standard and quality assurance objectives require that students attend all classes, laboratories, and/or required fieldwork on a regular basis.

- Students will receive by email warnings for absences from a Course of 6%, 13% and 20%.
- Students who miss 20% or more of classes, tutorials or laboratories may be prevented from sitting the final exam
- Students are marked absent or present only. Students are expected to be always on time. Any student arriving late may be denied entry to the classroom by the Instructor, in which case, the student will be officially marked as absent.
- Leaving early is not permitted unless given permission by the instructor.

A student who misses classes and/or required fieldwork is responsible for the work that is covered, and for following-up on any announcements that are made during her absence. If because of an absence, a student misses an assessment or assessment deadline, the instructor is not obligated to grant a second chance. Therefore, any absence might affect grades severely.

Students with pre-known issues which may cause them to miss a class must submit their issue in writing to the instructor and the Director of Student Affairs. Where possible, and based on valid verifiable circumstances, a temporary and supportive alternative lesson plan may be granted. It is important to note that failure to follow this procedure will subject the student to the standard attendance policy.

Attendance will be monitored by the class teachers to the standards set by the College, higher education in general and locally.

Sick Leave Note Policy

Students will submit their sick leave notes to the Director of Student Affairs the day the student returns from sick leave. The sick leave note should be dated, signed and stamped by the medical doctor. If the student misses an assessment due to sickness, they must submit a sick leave note for the assessment date in order to qualify for a make-up assessment.

Students are entitled to just one make up assessment per course per semester.

Condolence Policy

Students are provided with three days off for bereavement and condolences of a member of the immediate family. The College reserves the right to require documentation of the death (e.g., death certificate, obituary, documentation from funeral home).

Box Hill College Kuwait - Student Handbook

A maximum of three (3) days off is permitted upon the death of a student's:

- spouse
- child
- brother or sister
- parent or guardian
- son-in-law or daughter-in-law
- mother-in-law or father-in-law
- brother-in-law or sister-in-law
- grandparent
- aunt or uncle

Holy Day Policy

BHCK recognizes the important role that religious holy days can play in the lives of its students. Observance of religious holy days may require students to miss classes. Such absence, when preceded by proper notification to instructors, will not carry any penalty or sanction. Students are expected to make alternate arrangements with their teachers regarding scheduled tests, assignments due or other course work and activity. Teachers are expected to be supportive of and sensitive to individual religious practices by being willing to work out alternatives to scheduled course work. In all instances, however, excused absence does not mean excused from meeting course standards and expectations.

Maternity Leave

In the case when you start maternity leave during the semester, it is recommended that you apply to defer your enrolment at BHCK until the next semester. You do this by filling out the appropriate form from the Registrar.

Scholarship students should contact the Registrar's office **before the start of the semester**, and should follow the PUC rules. For more information on these rules go to the PUC web site: www.puc.edu.kw.

If you decide not to defer your enrolment you will be allowed up to two teaching weeks of leave of absence without attendance penalty, but you must inform both the Director of Student Affairs and the Registrar's Office that you are on maternity leave and try, during this time, to keep up with the work as best as you can.

STUDENT AFFAIRS

Academic Advisement & Support

BHCK has advising services available to assist students throughout their programmes of study. As you progress in your academic program, your Academic Advisor will have a proactive role in your course of study. This includes but not limited to:

- Serving as a general source of information, such as program requirements and student policies
- Acting as a liaison between you and your instructor when needed
- Putting you in touch with the right departments, such as Registrar and Learning Resource Centre.

Box Hill College Kuwait - Student Handbook

- Helping you to work through problems that may become barriers to your academic success
- Challenging you to achieve
- Assisting you to manage your time effectively

During the semester your instructor will often give you feedback on your progress. When this occurs you will have the chance to give your instructor feedback on the class. This is an opportunity to express your ideas to your instructor, but you may do so at any time.

Enrolment Verification

BHCK Registrar's Office verifies enrolment to the Ministry of Higher Education / Private Universities Council and to Box Hill Institute for mainstream and foundation students. Your enrolment verification assures that your status and academic records are current and reflect your academic progress and standing.

Student's requiring enrolment verification for scholarships, employment, or other services should contact the Registrar's Office on the ground floor of Building A.

Enrolment verifications are processed within four (4) business days of the request and fees may apply.

Student Identification Card

Upon enrolment at BHCK, students are issued an identification (ID) card that includes their BHCK Student ID Number for reference. This card provides students with access to academic resources and centres such as the Learning Resource Centre for their studies.

It is the College policy that all students have their Student ID card visible while on campus. The college is dedicated to the security and safety of all students and will actively enforce the Student ID policy. Anyone refusing to present or not having their ID card in their possession may be asked to leave campus until they can produce proof they are enrolled. Replacement ID cards are available for a fee.

College Technology Policy

Students at BHCK are advised to use proper social and professional etiquette when using the college e-mail system. Use of the network implies consent for monitoring of traffic that is necessary for smooth administration of the resource. BHCK does not condone the use of inappropriate language when writing messages to instructors, staff or students.

Any part of the BHCK technology resources must not be used to produce, view, store, replicate, or transmit harassing, obscene, or offensive materials. This includes, but is not limited to, material from the Internet, screen savers, etc. In addition, printed copies of such material, including those from magazines, are not permitted to be distributed. Any student who violates this policy will be severely disciplined which may result in suspension or immediate dismissal.

College e-mail services shall not be used for purposes that could reasonably be expected to cause directly, or indirectly, excessive strain on computing resources or unwarranted and unsolicited interference with use of e-mail or e-mail systems. Engaging in any use that would interfere with

Box Hill College Kuwait - Student Handbook

another student's and/or employee's work or disruption of the intended use of network resources is prohibited. Penalties for misuse of e-mail, Internet or any part of BHCK's IT resources are to be determined by the instructor, HOD or the Director of Student Affairs.

Student Conduct

The foundation of BHCK's values of Student Conduct is the idea of honesty and understanding without giving up program integrity and the pursuit of education. The Standards of Conduct were developed with this idea in mind. The Standards of Conduct create guidelines to help students make the correct decisions that do not prevent other students from exercising their rights, including the right to an education and efficiency of college operations.

The goal is to eliminate as many behavioural incidents as possible through effective communication of rules and conduct expectations. This goal is accomplished in part through the information in this Student Handbook and will continue through active communication between the management, instructors and students. Communication is a vital part of the disciplinary success, including College efforts to prevent students from committing future conduct violations. BHCK disciplinary procedures are designed to be fair and consistent to all students. All conduct and disciplinary procedures help to ensure a safe and stable atmosphere where students can achieve their goals free of emotional harassment.

Practices in conduct incidents may vary in formality with the gravity of the offense and the sanctions that may be applied by the Student Scholastic Standing Committee. In all situations, procedural fair play requires that the student be informed of the nature of the charges, that he/she be given a fair opportunity to refute the charges, and that the institution not be arbitrary in its action. Hearings or appeals conducted as a part of this process are not courts of law and they are not subject to many of the rules of civil or criminal hearings. Because some of the violations of these standards may also be violations of law, students may be accountable to the police and to the College for their actions. Disciplinary action at the College will normally precede, notwithstanding, any civil or criminal proceedings.

Student Code of Conduct

BHCK fosters an academic community that is committed to the educational and personal growth of each and every student and therefore, enrolment in BHCK obligates students to conduct themselves as responsible members of the College community. Behaviour that discredits the individual or the College, as generally determined by College rules and regulations, may result in disciplinary action.

BHCK reserves the right to dismiss any student whose conduct is regarded as being in conflict with the best interests of the College or in violation of its rules and regulations. Behaviour that students should follow that matches the educational goals of the College includes the following:

1. Respect of yourself and others (students, faculty, and staff) regardless of culture, race, religion or social class. Harassment, bullying, fighting, threats, swearing at others (using bad words), or calling others names will not be tolerated. Inform BHCK if you are harassed or bullied on campus.

Box Hill College Kuwait - Student Handbook

2. Behave appropriately. Ensure your actions and words support a learning and teaching environment. Always be polite and make sure what you are doing does not disrupt the teaching or learning of other students.
3. Do not cheat, collude or plagiarise in assessments or assignments. Do not assist another student to cheat, collude or plagiarise.
4. Turn off all mobile phones during class time.
5. Students need to get the approval and consent of faculty before videotaping or recording the faculty during class. However, the posting of the taped lecture on social media is not allowed.
6. Respect the property of the BHCK community. Do not damage or remove property from the BHCK grounds. Take responsibility for your belongings. Do not leave valuables unattended. If any of your belongings go missing it is your responsibility for the loss.
7. Do not place yourself or any other student in danger by reckless and irresponsible behaviour.
8. Bring your Student ID Card to College every day and show it when requested by any BHCK staff member. You will only enter the College with your student ID.
9. Do not smoke in the building or any other area where smoking is not permitted.
10. Use the College resources responsibly avoiding wastage. Also consider the environment in general when using any resource in the College.
11. Does not allow illegal drugs or anyone under the influence of drugs on the premises.
12. Requires Students who take prescribed medication to be aware of medicinal side effects and not combine it with anything that can place themselves or others at risk. Notify BHCK if you are ill and cannot attend.
13. Any entry to the Campus of any unauthorized person or vehicle is NOT allowed. Entry or departure of a student on foot, during the set class timings is not allowed for any reason whatsoever.

Conduct Procedures

The circumstances of each violation of the Student Code of Conduct will be considered in investigating and processing each violation. Any student cited for a conduct violation will have the opportunity to speak on her behalf and to explain the details of the incident. The accused student will be notified in writing of the final outcome of the reported violation.

Right to Appeal

The student may appeal any disciplinary decision to by filling out a Disciplinary Appeals Form available from the Registrar's Office. A final decision will be given after an appropriate investigation.

Appeals Policy

- If the Student feels that she has been disciplined unfairly or wish to appeal some other decisions which she consider to be unjustified or a violation of her rights, then the student should first contact the Student Advisor. If her case was not resolved, then the student is advised to fill out an appeal form, which express her case and submit it to the office of the registrar with the evidence needed and supportive documents.

Box Hill College Kuwait - Student Handbook

Grade Appeal:

- If the student disagrees with an assessment or course grade (final grade), must first talk to your instructor who will explain how and why you received the mark. If the student was not satisfied she may apply for a grade appeal. To do this the student must fill out the required forms from the office of the registrar, attach it with all the evidence related to the appeal and submit it to the Office of the Registrar. If the student did not supply evidence, her appeal will be rejected.

The students must submit their appeals within the given dates by the office of the Registrar, which will be at the end of each semester; and scheduled on the students' Academic Calendar.

The Office of the Registrar will forward the appeals to the concerned committees.

The appeals' result will be given out within 15 days from the date of submission; it is result and cannot be argued against.

Terms & Conditions

- **Grade Appeal has a KD 10 administrative charge**
- **The KD 10 charge fee is refunded only if there is a miscalculation or typing error from the colleges' behalf.**

Conduct Sanctions

A student found to have violated the College Rules and Regulations may be subject to one or more of the following sanctions:

- **Admonition** – A verbal statement to a student that she is violating or has violated college rules and that further instances of unsatisfactory conduct may result in more severe disciplinary action.
- **Reprimand** – A written warning to a student (filed in the student's file) for a violation of a specific college regulation.
- **Letter of Apology** – A formally written letter of apology, either private or public, to an individual, an outside agency, or the College.
- **Suspension** - A written notification of the temporary termination of student status at BHCK.
- **Dismissal or Expulsion** – A written notification of the permanent termination of student status and exclusion from further enrolment at BHCK which is recorded on the student's transcript.

Academic Probation and Suspension

Academic Probation

All full time students of the college are required to meet certain academic standards. Regulations regarding academic probation, suspension, and withdrawal are designed to provide close supervision

Box Hill College Kuwait - Student Handbook

of the program of study and progress of students. Failure to meet standards will place students on academic probation or suspension. The minimum satisfactory standard of achievement is a cumulative grade point average of 2.00.

Academic probation is imposed at the end of the first semester should the student's grade point average fall below 2.0.

Each student's transcript will be evaluated at the end of the fall and spring semesters. Because all students are expected to maintain an overall grade point average of at least 2.00, which is a requirement for graduation, any student whose cumulative grade point average is less than 2.00 will be placed on Academic Probation.

While on Academic Probation, students will have access to and the support of faculty and student advisors to discuss any extenuating circumstances. A student who does not take corrective action to improve academic performance while under Academic Probation risks Academic Suspension.

Academic Suspension

If after three consecutive semesters of Academic Probation, and the cumulative grade point average falls below 2.0, the student **may be placed on Academic Suspension** for one semester. Academic Suspension is authorized by the appointed Academic Committee.

Students with scholarship awards will lose their scholarship standing with the Private Universities Council and the Ministry of Higher Education.

Students with private scholarships and awards may also lose their entitlement for future funding.
